OLD BUSINESS:

Sign Code: The commission returned to discussion on sign code and then quickly tabled until the next meeting for all members to get the most up to date code by Bretveld.

Animal Code: Bretveld gave the commission an update on a few of the changes that he had made on the updated animal code. One of them being citizens who have already registered their dogs in 2021 can come and upgrade to a lifetime for a lesser amount. Members discussed the availability for citizens to get another tag if they are lost or damaged. Also, discussed was the animal biting enforcement. Bretveld had gotten this code from Pullman the members were interested in reaching out to Pullman to see if they have had any problems enforcing this code. Bretveld had Chief Blood also read through the animal code to ensure that these are problems they deal with and it is something and worded in a way that it is enforceable for them.

Huntwork made a motion to submit the clean version draft 3 of animal code to City Council, seconded by Moore. Roll Call: All yes
